Yes. I believe that pretty much all of the ARSG people will stay for the availability session. I will add the session on to the end of the regular Sept. ARSG agenda when I send it out.

Hi, Peter.

I just wanted to let you know that we are hoping ARSG will be available for one-on-one conversations, as well, during the availability session. When we last spoke, it sounded as though you thought ARSG members would be staying for the availability session, so it will probably be covered. I just wanted to make sure we were on the same page with our planning.

Thanks!

Cynthia

**Subject:** ARSG July Meeting Summary

Dear Stakeholders – Attached is the July meeting summary.

We are not planning on an August regular ARSG meeting. We will meet on September 23 in the afternoon. There will be a full agenda.

EPA is planning to have an informal “availability session” the evening of the 23<sup>rd</sup> where people can talk one on one with EPA representatives.

Hope to see you in September

Peter Butler
